

# CT8

## RUGGED TABLET

Work hard. Worry Less.

## Sleek, Affordable, Rugged

The Cedar CT8 Rugged Tablet offers powerful functionality at an affordable price. Touting a lightning-fast Qualcomm processor, Android 8.1 OS, and a bright, high-resolution screen for outdoor visibility, the Cedar CT8 is an impressive tool for mobile data collection. The Cedar CT8 comes with battery swap capability that ensures it will outlast a long day on the job, while its sleek, lightweight design helps users avoid fatigue.
